

Image3D®

SEE THE WORLD IN DEPTH

Specializing in Custom View-Master Style Reels & Viewers

Image3D is the premiere producer of custom View-Master style viewers & reels and 3-D promotional tools that help companies communicate their marketing messages in unforgettable ways.

Many of the **world's best-known companies** have made Image3D products the centerpiece of highly effective marketing campaigns, including Disney, Anheuser-Busch, Holland America, Daimler Chrysler, Sony, Caterpillar, NBC, Reebok, Ernst & Young, Yahoo!, Pfizer, The Gap and Lucasfilms.

Rapid delivery of orders to meet tight deadlines. Quantities of 10 to 10,000 delivered in as little as 2 weeks with no rush fees. Image3D offers rush service to meet the tightest deadlines.

To meet tighter budgets—quantities of 500 to 100,000 can be delivered economically in 6 weeks and quantities over 100,000 can be delivered in 8 to 12 weeks.

Viewers are available, ready to ship, in red, black, blue or white. Viewers also can be produced in any Pantone color for quantities of 1,000 or more in as little as 6 weeks.

Image3D spells quality from a single source. One vendor for all your needs. Reels, viewers, imprinting, custom packaging, and a full range of 3D enhancements provide for maximum impact.

Contact us today to discuss how Image3D can help your next campaign be your most effective ever.
